## THE TOWN RECORD

By MONTE DAYTON

The glad-hand and the back-slap are the order of the day as political bandwagons grind into their final lap before June 8.

And those who aren't aware of it must be either blind or illiterate.

Down at the corner of Junipero Serra boulevard and Knowles street it's like carnival broadsides.

In a space of some 40 feet, there are 36 different signs (count 'em) boosting about that many different candidates.

You'd have to be riding a slow mule on a bright day to see most of the signs, but nobody wants to get left out of the act.

And the midnight marauders are raising merry hell with the displays of the DEMATTEIS camp.

Throughout the entire north end they're tearing the posters and boards down faster than it takes to say district attorney.

One member of the victim's campaign committee is threatening to offer a $500 reward for apprehension of the moonlight lumbermen.

JACK MARSICANO, member of the local library commission, has tendered his resignation.

Word has it he's inherited a pile. (About 100 G's).

Don't blame him for leaving the comish. Just having that much dough is a full-time job.

Down Westlake way, at Compton's eatery, was seen this tableau weekend last:

Councilmen MICHEAL DEBERNARDI and DEL WILSON relaxing over a good five cent cigar with an unidentified party and thinking what the city needs is a good 15-cent jitney.

CY DONALDSON, former scribe for THE RECORD, got hitched last month in Orange, Calif.

The bride is DORIS GERALDINE SUHR.

It was a Yosemite romance that blossomed in 1952 and went all the way to the altar.

Whoops, yer honor: Mayor JOE VERDUCCI mailed a release announcing May 14 as United Cerebral Palsy day in Daly City.

A worthy gesture, but the missive wasn't mailed until May 18.

A recent news article sang tribute to the San Mateo County Law Enforcement association.

Lot of people don't know it, but the influential organization has as its vice president none other than R. A. PETROCCHI, DC police chief.

Old-timer GEORGE AUGUSTEIN, the little tykes' best friend who, as a reserve police officer, has probably escorted more kids across Mission street than there are people in San Francisco, was doing a little better Wednesday of this week.

George suffered a heart attack earlier but was brought home from the hospital Tuesday.

Since school closes next month, he probably won't be manning his traditional post again this term, but Daly City shavers sure hope to see him back again next fall.

## SUNDAY'S BIG DAY FOR CHARLOTTE

**BEDECKED** in regal finery, Charlotte Corvo, nine-year-old Crocker school third grader, awaits Sunday when she will reign as queen of Daly City's Spring Festival. Charlotte is the daughter of Mr. and Mrs. Orlando Corvo, 131 Alexander. THE RECORD photo

## CROCKER SCHOOL LASSIE TO REIGN AS QUEEN OF SPRING CARNIVAL

Spring Festival Queen Charlotte Corvo, 9, of the Crocker school will be crowned during the opening ceremonies of the annual recreation department event on May 23, according to James Mason, recreation department head.

Young Miss Corvo, the daughter of Mr. and Mrs. Orlando Corvo, 131 Alexander street, will be crowned by Mayor Joseph Verducci in Marchbanks park at 1:10 p.m. Attending the festival queen will be Maureen Marconi, Marianne Crabb, Veronica Fischer, Carol Robertson, Judith Ann Reginelli, Eva Chavez, Marilyn Concillio and Charlene Hook. Steven Swerdlow will be crown bearer.

According to Mason, Kenny Kingston, last year's master of ceremonies, will emcee the festival. Assisting Mason, the chairman of the event, will be Ed Mosconi, procession chairman.

Program for the day, as announced by Mason, is as follows: Procession from the War Memorial Building, 12:30 p.m; flag raising

## KLEES IS HELD FOR THE SUPERIOR COURT

The Jefferson Elementary school bus driver charged with molesting a 13-year-old Daly City girl appeared for preliminary hearing in municipal court Wednesday and was held to answer for trial in Superior court.

Bernard Klees, 44, who lives at 225 Los Olivos avenue, has pled not guilty to charges that he criminally assaulted the girl last February after luring her to his home.

Date for his trial will be set within the next few weeks.

The girl who claims she was raped appeared before Judge Thomas L. Bocci Wednesday to reiterate the charges. Her mother was also on hand to testify formally as to the girl's correct age, while the father appeared but was not called on for testimony.

According to the girl, she became acquainted with Klees, the father of two children, while riding in his bus.

The accused reportedly has a commendable record as an employee with the school district and also as a sheriff's aide in San Mateo county.

He is presently being held in county jail, unable to make the $5000 bail or $10,000 bond.

Representing Klees is Attorney John J. Fahey.

## Blood Bank Reports Eight Local Donors

Eight residents of the Daly City and Colma areas were among the people of San Mateo county who donated blood to the Peninsula Memorial Blood bank during the first part of May.

Donating blood were Harry Passafiume, Donald Passafiume, Raymond Veit, Edward E. Gigel, Richard S. Phillips, Robert A. Crooker, Mrs. Emile Fanfelle and Hower A. Deckinson.

### *Cole Given Suspended Sentence For Drunk Driving Conviction*

William Cole, New San Francisco Motel, pleaded guilty to a charge of drunk driving before Municipal court Judge Thomas L. Bocci, Jr., on May 18.

Cole was sentenced to 30 days in the county jail. Judge Bocci ordered a suspended sentence on condition that he pay a fine of $300.

## Trustee Ticket Gets Knocked At Meeting

**With more candidates on hand than observers, "Candidates" night was held Tuesday at Jefferson High school for Jefferson Elementary and High School district trustee hopefuls as a prelude to today's election.**

**Of the 18 persons running for either the high school or elementary board, only 11 showed at the meeting and less than a dozen persons were on hand to hear their platforms.**

Each candidate spoke briefly and the one sentiment reflected in nearly every talk was opposition to the Joe Toboni-Cass Norton-Starr Dunham ticket from Westlake, running for the elementary board. The trio were not there to answer the many charges put forth by the speakers.

**Tax Cut Ridiculous**

First to address the audience was Roy Arneson, who said, "All this talk of cutting taxes is ridiculous." The Westlake ticket has cited tax reduction in their platform.

Arneson added that, "I don't think the people are gullible enough to believe the campaign being offered by these men."

Guido de Ghetaldi echoed Arneson's feeling, and went on to say that "with the rapid growth of Daly City, I don't see how we're going to achieve progress in education by cutting school taxes."

Next to speak, Francis Gates, said, "These men don't even know the legal restrictions such as control sale of property, that govern the school district. They're making statements of policy that can't possibly be carried out."

He added by saying, "I want to see the children of this district get the best type of education."

**Cut Double Sessions**

Navy veteran D. C. Gensel said, "I hope to work for elimination of double sessions and see that competent teachers are secured by offering sufficient wages."

Dr. Henry Kempe stated that "if these three men in question were elected they could virtually control the board. I don't believe they really believe in public education."

Concurring with the previous speakers on the subject of the Westlake ticket was Henry Kraus. Kraus added that "I intend to keep an open mind if elected to the board." He cited his wide busines experience as a qualification.

**Keep Politics Out**

Joseph Lewkowitz said his feelings were about the same as the other candidates. He specifically said that he would work to keep "politics and communism out of the schools."

Cecil Mitchell told of his interest in school board activities and said, "We must not take a negative view towards other candidates. We must take positive action on projects."

Katherine Mullen called for an adequate teaching staff and an attempt to curtail double sessions.

Two Jefferson High school trustee candidates, Herman Kalinin and William Ziegler, also spoke.

## Vickers Asks Report On Playground Fund

**Councilman Sanford Vickers Monday night called for a "full report" from the city administrator explaining why there is no money in the parks and playgrounds fund established in 1949.**

**"I know the money was originally set aside to finance construction of a park in the southern section of the city. Now there's no money in the fund and no park either," he said.**

Vickers called for the information during the council's study of the quarterly report on finances, submitted by Auditor Herbert Thielmeyer.

Thielmeyer said it was only his job to submit to the council the fund activities, and not to account for lack of money in a fund when it had been depleted by officially authorized disbursements.

Thielmeyer volunteered what he thought might be an answer to the lack of money in the fund:

"Sometimes projects are planned and money allocated, but before the work is finished prices often rise considerably."

In discussing with the council the financial report, Thielmeyer said it appears Daly City has plenty money in reserve to last until the end of the year.

The city's financial status at present was "satisfactory" Thielmeyer added.

The auditor told councilmen that problems existing between City Clerk B. C. Ross and Treasurer Paul G. Selmi had been ironed out at a meeting last week and that as a result Daly City's bookkeeping would probably be more consistent in the future.

Ross and Selmi had heretofore disagreed on certain technical points regarding the reporting of city fund activities.

The new council, following through on their effort to reorganize Daly City's financial structure, also discussed with Thielmeyer various funds that showed deficits.

Spending of tax money forthcoming from the state and the practice of transferring funds was the main reason for the red ink, Thielmeyer explained. The council called for steps to handle funds so that they would show a balance instead of deficits.

## GOV. KNIGHT TO TOUR SAN MATEO COUNTY SATURDAY

"Shake Hands with Your Governor Day" in San Mateo county will be Saturday, May 22, when Gov. Goodwin J. Knight will meet Peninsulans in 11 cities, from the time of his arrival at 9:30 a.m. in Menlo Park, throughout his tour of the county, until his departure at 3:20 p.m. from Westlake for the airport.

Raymond J. Daba, general campaign chairman of the bipartisan Knight-for-Governor committee, said today, "Gov. Knight has a multitude of friends here, but we especially invite everyone who has never met our Governor personally to come and get acquainted with him."

Daba explained that because of the pressure of state affairs in Sacramento, this will be the only appearance of Gov. Knight in San Mateo county prior to the June 8 primary election.

Dalba will escort the governor to Shoreview and from there 25th Assembly district chairman, Tom Callan Jr. of Colma will accompany Gov. Knight, with co-chairman Warren Sapiro of South San Francisco.

Tom Callan Jr. will escort Gov. Knight to Daly City's Memorial Recreation center at 2:35 p.m. Final visit of the governor in San Mateo county will be in the Westlake shopping center at 3:05 p.m. Gov. Knight will leave Westlake for the airport at 3:20 p.m.

## Veteran Educator R. L. Crane Jr. Plans Retirement

R. L. Crane Jr., veteran educator in Daly City and popular secretary of the Daly City-Colma Lions club for the past 13 years announced this week that he would be leaving the community at the close of the school term.

Formerly superintendent of the district from 1931 to 1948, Crane has been in charge of woodshop instruction for the elementary children.

He revealed at Wednesday's luncheon meeting of the local Lions that he plans to make his residence in Sonoma county following his retirement next month.

A resident here since 1931, he and his wife now live at 140 Woodrow.

Crane will be giving up his position as secretary in the local Lions, a job he has held since the club was organized in 1941.

Ira Veville will assume Crane's duties in the club.

Commenting on his retirement, Crane said, "It's going to give me the time to do the many things I've always been interested in."

### *May Classify Gus Ford Water Superintendent*

Gus Ford, acting superintendent of the water department, may be made official head of the department.

The council Monday night discussed this possibility.

Ford has been acting superintendent for the past eight months.

## Jeff Elementary District Changes Hiring Policy

The Jefferson Elementary School district voted to adopt a new policy of hiring teachers without degrees to ease the current shortage of classroom teachers during the May 17 board meeting.

The new policy provides that teachers without degrees may be hired provided the teacher has at least 90 semester units of credit and three years of experience. The board ruling states that teachers hired under the policy will not be granted tenure at the end of the three year probationary period unless they have obtained their degree.

Letters of resignation from six teachers in the elementary district were read. Resigning for a number of personal reasons are: Richard Hatch, Ida Jenkins, Gertrude Rutherford, Eloise Harrison, Dorothy Pickrel and Joyce Tolle.

Board action resulted in the employment of Barbara Biagini, Katherine Davis, Elizabeth Gehrmann, Ethel Ramstad, Norma Rebholtz, Marjorie Rich, Russell Jones, Thomas Chapman, Margaret Brown, Frances Campbell and Edna Langhorne as teachers for the 1954-55 school term.

Other persons hired by the board included, Gene Andrus, 24 Abbott street, bus driver custodian and Mrs. Jolen Jenkins, 160 Lynnewood drive, clerk for the

## MUNI, JITNEY, OTHER GROUPS TO DISCUSS PROBLEM AT CITY HALL MEET

Backers of various proposals for improving Daly City's transportation will meet with officials of four transit companies and the general public tonight (Friday), at an open meeting on transportation that may decide the fate of transportation in Daly City.

The transportation problem, long one of the city's most hotly debated, will be gone over carefully tonight at 8 p.m. in the council chambers. Purpose of the meeting will be to give the city officials a chance to decide what the public opinion is on the matter of maintaining the present bus service supplied by the San Francisco railway company or replacing it with one of the companies currently interested in coming into Daly City.

**Ultimatum to DC**

Faced with an ultimatum by the Municipal Railway that the city has 30 days in which to decide whether it will agree to pay at least a part of the $40,000 annual losses suffered on the No. 56 and 76 lines or not, civic leaders will try to determine what policy they should follow after tonight's meeting.

Complicating the problem is the fact that the Jitney Drivers, Inc., Peninsula Bus lines and Perkins Transportation service and their respective backers are fighting for approval of tentative proposals to supply service to the area.

**Muni Approval**

During a two and a half hour meeting of the Chamber of Commerce last Thursday the chamber approved a motion to retain the present transportation system.

According to Robert Hunter, president of the Chamber of Commerce, the motion will be read before the assembly at the meeting tonight.

The motion, which states, "we are not in favor of any change of transportation that would jeopardize the present system," will be read by Jack Kendree, C of C representative.

During the prolonged discussion on transportation which preceeded the passage of the motion the chamber defeated a ruling which wuold have required a performance bond on the part of any new carrier. However, according to Hunter, if a change was made, financial responsibility of the new company should be paramount in the minds of the councilmen.

Dan Andersen, city administrator, stated that he was very surprised by the ultimatum issued by the San Francisco company. Andersen said that he had previously believed that the negotiations were progressing to the satisfaction of everyone concerned.

## OK COURT SESSION FRIDAYS

Municipal Judge Thomas L. Bocci will hold court in Daly City every Friday morning, beginning June 4, it was revealed at Monday night's study session of the city council.

The county board of supervisors, acting on a request from Daly City, recently gave their approval to holding court here one day a week.

Bocci said he would be glad to appear here on Fridays and hold session for traffic violations and minor law infractions.

No jury trials will be held here however, due to the difficulty involved in transporting court records.

Bocci will hold court in the council chambers.

## DC May Discontinue Discounts On Water

The 25 cent monthly discount given to Daly City water users who pay their bill on time may be revoked to bring the city an additional $24,000 annual revenue.

The council considered the possibility of such action Monday night in conjunction with study of a report by Allen Hertel on water company billing machines.

Hertel recently made a survey of systems used throughout the county as the city may undertake its own billing instead of having the work done by outside companies.

In his survey, Hertel said that relatively few cities still maintained the discount system.

Councilmen decided to meet later with Hertel and come to an official decision on discontinuing the discount system and purchasing a billing machine.

## NEW ATTEMPT TO GET BRUNSWICK MOVING

Tonight (Friday) at 7 p.m. all parties concerned with the much-delayed and long litigated Brunswick street extension will meet in the city administrator's office in an attempt to get the project moving again.

Frank Blum, city attorney, explained to the council in study session Monday night of the additional legal complications that have again stopped the work to extend Brunswick street through to Mission a distance of some few hundred feet.

**Two factors**

Latest entanglement hinges on two factors: First, the Bernal Construction Co., contractors for the job, had their contractor's license revoked by the state in April.

Blum explained that the state, which is participating financially in the job, won't give approval on the project if not done by a licensed contractor.

Should they approve completion of the job by Bernal, a secondary block will be faced.

Property owners in the area, H. H. Smith and John Dykman, met with the city recently and both agreed to some changes in specifications for the job not listed in the original plans.

If the state OKs Bernal, they still must approve the revised specifications.

**Must Be In Writing**

Secondly, each property owner's sanction to make the changes must be sent in writing to the state.

This, however, Blum explained, is merely a formality since the owners have agreed verbally to the changes.

Ed Smith, city engineer, said the state feels Daly City should call for new bids on the job to straighten the whole thing out.

This would result in delay of at least another two months and would mean added cost to the city.

Blum said that if at all possible, it would be advantageous to the city to have the job done by the contractor already retained for the job.

**Higher Bids**

If new bids were submitted, the lowest would in all probability be much higher than the $19,935 price listed by Bernal in their bid earlier this year.

Other problems besetting the Brunswick extension are legend. Damage suits amounting to nearly $125,000 have been made against the city as a result of the cave-in of the Brunswick retaining wall last year.

held in the various schools of the Jefferson Elementary school district on Friday, May 14.

The present kindergarten enrollment is 657. It is likely the enrollment next Fall will equal or surpass this figure since all children living in the District do not become enrolled at the Spring registration.

The breakdown of the kindergarten registration by schools indicates most of the small children live in the Westlake and Broadmoor areas.

Westlake school, 158; Garden Village school, 138; Jefferson school, 100; General Pershing, 64; Woodrow Wilson, 60.

# Trustee Ticket Gets Knocked At Meeting

(Continued from Page 1)

Kalinin, a contractor, said he thought that knowledge of the building trades was an important qualification for one serving on the board. He explained that with all the building projects underway a person with knowledge along that line could be of great value to the board.

**Ziegler Hits Trio**

Ziegler, although a high school board candidate, launched a tirade against the elementary school ticket from Westlake. "These three have made a complete mess of the Westlake Improvement association of 2400 members. What could they do to the school district?"

After hearing of the verbal lashing his ticket had received, Dunham said yesterday that the meeting was just "a gathering of disgruntled candidates.

"We never said we were going to step in and cut taxes. Our hope is to give the district more for their tax dollar by cutting expenses.

"They have also confused the issue by saying we're going to sell school property. Our statement is that we're going to try to take the school district out of the real estate business.

"Sure, we'll strive to cut taxes, he continued, "but we wouldn't do it without first considering the effect on the district's financial status."

"As to the charges that we represent the real estate interests in Westlake, that's foolish. We are representing only ourselves and nobody's financing our campaign."

He concluded by saying, "These candidates have confused everything we've said."

# MAYOR PROCLAIMS NATIONAL GUARD DAY IN DALY CITY, FRIDAY JUNE 8th

WHEREAS the critical international situation makes it imperative for this Nation to maintain properly trained Armed Forces with the highest possible morale, and

WHEREAS the National Guard has in the past, and now, and will continue in the future to be a valiant and necessary citizen component of the Armed Forces of the United States, and

WHEREAS the Military Order of World Wars and the American Legion with other Veteran Organizations will, in order to publicize and raise the morale of the San Mateo County National Guard, conduct Depature Ceremonies for the local National Guard Units;

NOW, THEREFORE, I, Joseph J. Verducci, Mayor of the City of Daly City, do hereby proclaim Friday, June 18, 1954, as NATIONAL GUARD DAY and shall be recognized as such throughout this City.

I hereby call on all the loyal citizens of this community to publically commemorate the heroic sacrifices made by members of the National Guard in the past as well as by the continued effort of our local Guard Units to keep themselves fully trained and prepared for any future emergencies. To show our appreciation to our local National Guard Unit, the Battery 149th Antiaircraft Artillery Automatic Weapons Battalion, every person in this Community is cordially invited and urged to participate in and attend the National Guard Departure Ceremonies that will be held at the National Guard Armory, Bldg. E-301, San Bruno Navy Base, San Bruno, California, on Friday, the 18th of June, at 8 p.m.

IN WITNESS WHEREOF, I have hereunto set my hand.

DONE at the City of Daly City this 17th day of May, 1954.

education department.

The Central Electric company was awarded the contract to install fire alarm boxes at the Colma school. The company's bid was $970.

In other action the board approved an added payment of $238.57 per year to the audio visual materials service from the county schools office as compensation for the Jefferson Elementary district's use of the junior museum being established at Coyote Point. Authorization was given for the purchase of additional pianos which will be needed next year when more classrooms will be used.

# Vickers Appointed To Work With The SM Planning Group

Councilman Sanford Vickers was selected by the North County Council of City Councils as one of five men who will represent the five north county cities.

Others appointed by the council are: Robert Price, San Bruno; John Newton, Colma; George Bosworth, South San Francisco; and Daryl Paine, Millbrae.

# TEENAGERS WITH STOLEN CAR SOLVE JANUARY ROBBERY

The theft of a Ford pickup truck and the January 22 robbery of the Budget Savings store, 6001 Mission street, were solved early this week when San Francisco police picked up two Daly City juveniles driving the missing truck.

The youths, one 14 and the other 16, confessed the theft of the pickup from the Colma Grammar school yard on Friday by using tinfoil to start it. San Francisco police located the car, in the possession of the boys, at 12:15 a.m. Sunday.

The older of the two boys later confessed to Daly City police that he and another local boy, 17, were responsible for the disappearance of $375 from the Budget Savings store.

The boys stated that they had spent the money for shows, fishing tackle and a variety of other small items. They reported that following the theft of the money they buried the loot and dug it up two weeks later.

Gas and electricity are cheap in California
The Hamptons, newcomers to California, were pleased to discover that all their appliances cost less to operate here.
Their P.G.and E. bill in one month was $8.47
Where they used to live, the same amount of gas and electricity would cost . $10.01
Why not take full advantage of California's low rates for gas and electricity—by putting the money you save into more timesaving, work-saving appliances. Enjoy better living for yourself and your family!

"My big new refrigerator-freezer does double-duty for just 84¢ a month!"
says Mrs. Norman Hampton, 868 Taber Avenue, Yuba City, shown here with her daughter, Julie.
"I was really surprised when I found out how little it costs to run my wonderful new refrigerator-freezer combination. Imagine running a big refrigerator with all the new features like moist cold and automatic defrosting—plus the spacious food freezer—for just 84 cents a month! And the rest of our appliances are just as inexpensive to operate."

## AN INSULT TO THE PUBLIC

Without reservation, one of the cheapest newspaper circulation stunts to be visited on the public since the days of the penny press has been pulled out of the bag by the Burlingame Advance-Star, San Mateo county's "home" newspaper.

This publication, tying up the package with an assinine reference to "voting" for the Advance, has mailed subscription pitches to practically every election officer in this area.

In a form letter, the paper points out to the election officers that "You are undoubtedly interested in your community activities and those of the entire county of San Mateo."

After priding itself on its ability to present ALL the pre-election material in such a manner that the voter will be able to make his choice from the facts of honest and unbiased reporting," the pitch-piece goes on to say that "If you are interested enough in your local and national government to accept the position as a precinct officer in the direct primary election, then you are a person who is vitally concerned with ALL your local and county news and will VOTE for your evening newspaper, the Advance-Star."

The letter concludes by saying, "Cast your vote now...by mailing the enclosed order blank."

We believe a person conscientous enough to volunteer his duties as an election officer should not have to be subjected to this devious method of playing on the individual's public interest for private promotion.

Morever, we feel that to take the list of election officers and employ it for purposes of commercial enterprise borders on tampering with elections.

And, just as an aside, this newspaper in question has carried less than 10 column inches of news in the past month on the local school district elections.

If that's "complete coverage" then woe be it for the voters who base their decisions on information received from said paper.

Being in the business, we know that building circulation is of paramount importance.

At the same time, we believe a crass stunt such as the Advance has invented is wholly unjustified and is an insult to the newspaper buying public.

## NO TIME --- NO INCLINATION

The public turnout for "Candidates" night held Tuesday at the local high school was terrible.

But even more disconcerting was the failure of seven trustee candidates, two of them incumbents, to attend the session.

The gathering was held to give the voters of the Jefferson Elementary and High school districts a chance to meet the people running for office, in order that they might better acquaint themselves with their platforms.

In our opinion, any candidate for public office should be active in his campaign to gain that public office.

If he isn't interested enough to aid his cause by attending a "get-acquainted" gathering of this sort, then it might be that he isn't too eager to do a job on the school board.

We can hardly blame the public for not attending Tuesday's meeting, when some of the candidates couldn't even find the time.

## LET'S GROW TO A DALY CITY DISTRICT

Daly City is about to have another campaign to raise money. This one comes pretty close to home. For 22 years our community has been an integral part of the San Francisco Area Scout Council, one of 545 similar such organizations throughout the United States.

At present Daly City has nine Cub packs and Scout troops offering the Boy Scouts of America program. These nine groups have a combined membership of something over 300 boys. Boy Scout officials anticipate an enrollment approaching 1000 youngsters within the next several years. As membership and financial support grow, plans are being made to establish Daly City and Colma as a self-administering district of the San Francisco Area Council. Such a move will provide an opportunity to our interested citizens to give leadership to a district committee, commissioner staff, and the several functioning committees of a Boy Scout district.

This is the kind of recognition and status that Daly City needs, and we congratulate Cub Scout and Boy Scout people who are helping bring about such growth. Robert Hunter, president of the local Chamber of Commerce, and an active leader in civic affairs, is heading up next month's Boy Scout campaign. Funds raised will be used to promote the Boy Scouts of America program in Daly City and Colma and to provide the administrative overhead this area has in the San Francisco Area Council.

Here is a concrete way in which all residents of the community can help bring the Boy Scouts of America program to local boys. Workers will be needed by Hunter and contributions will be needed when the solicitation is being done.

Let's back 300 local boys and raise the money that is needed to help bring about a Daly City district of 1000 Cubs and Scouts.

## LION TALES

By Joseph Belli Jr.

With no advance knowledge Lion R. L. Crane Jr. has stated and submitted his resignation to the club as secretary, and all in all, a darn good Lion. He has been secretary and parliamentarian of the club for the past fifteen years. Words cannot express the wonderful job he has done for the club. Lion Crane plans to make his home in Sonoma county.

Lion Ira Neville, past zone chairman and past president, will assume the job as secretary of the club commencing at the new fiscal year, July 1, 1954.

Past presidents Stanford Hannah and Elio Fontana are co-chairmen in charge of installation night to be held on Saturday night, June 19, at Grant's Charcoal Broiler. Installing officers for the occasion will be zone chairman Joseph E. Riccomi, from the South San Francisco Lions club.

Guest speaker for Wednesday's meeting, May 26, will be Mr. William Appleton Jr. of San Francisco Glass company. His subject is Looking Through the Glass Industry.

An important committee of the club is finance. The functions of this committee are to prepare the club's administrative budget and see that it is adhered to. Oversees prompt collection of dues in accordance with club constitution and by laws. Oversees prompt payment of bills. Helps activities committees formulate plans for raising money to promote their activities. Advises with and assists the secretary and treasurer in their duties, such as preparing for adult and financial reports. Maintains close contact with international office regarding local financial problems: Finance this past year was under the chairmanship of Lion Rudy Walmath. Assisting him under other sections of finance were Elio A. Fontana, budget, who did a great job putting our club on a budget. Harry Carusis who by trade is an auditor was our auditor and accountant. In charge of collecting dues was Dan Harris.

### Elementary School Trustee Points To Progress; Asks Voters Careful Decision

Dear Citizens:

It has been some time since I have "reported out" school business under my own name, and I would like to sum up a few points as we near the end of a rather difficult and trying period, and approach what I hope to be a most successful new era.

In the past ten years, of which I have personal knowledge of school affairs in this district and several of which I have been in an official capacity, many changes have taken place, and the present board and its predecessors wish to point out some of its achievements and efforts toward better education in this district.

We now have fifty-two new classrooms, three multi-use rooms, shops, home economic room, library and art room completed. Soon to be completed are two new multi-use rooms and a new school. Plans for the construction of two more primary and elementary and elementary schools are on the drawing board, and the acquisition of adequate land is underway. No board members or superintendent slept while the school enrollments increased. Only lack of money and the hazards of governmental procedures slowed the pace.

The question of the costs: Including school housing (at an average of about $13.50 per sq. ft.), teachers salaries, administrative and operating costs complete, they total around $225.00 per pupil. In nine comparable districts in the county, the highest per-pupil costs runs around $280.00, and the lowest around $210.00, a unified district using joint facilities. These figures are from 1952-53 compilations, and will reflect some changes in 1953-54, somewhat after the manner of living cost indices.

The question of what do we get, what kind of education are we buying? Opinions vary, usually concluding we get what we pay for. Improved supervision and higher teaching standards should soon reflect improved academic progress. If we can't emerge victorious in this department, our whole program has failed.

I now ask the voters to do something for themselves and something for me. In order to protect what has been spent in money and effort to proceed this far, I ask you to select a candidate qualified to insure continued and improved progress in our Jefferson Elementary district. Your investment in your childrens' future needs your intelligent interest.

Thank you,
Helen M. Cheatham

### Overnight Parking Problem Discussed

Dear Editor:

Your editorial "Lets Do It Right" is just what I have been waiting for. I am in favor of changing our present ordinance to read, "All vehicles parked on Daly City streets 72 consecutive hours, excluding holidays and Sundays, to be towed away at the owner's expense." But cars parked overnight should not be tagged. San Francisco changed that law long ago, because even though they have some public garages for surplus cars, Daly City does not have a single public garage. They also have adequate transportation, which does not necessitate occupants having to buy extra cars to get to work. We all know our transportation "stinks" and that many homes have to own more than one automobile to get to work in a reasonable length of time.

The Daly City police department is cognizant of this situation and do not tag cars parked over night unless someone in a block complains, then they tag every car in that block only, until there are no cars parked in that block. Then if someone complains again, they start tagging again in that block only. Is this Justice?

The latter part of March of this year, one and possibly two different people in the 300 block of Miriam complained about cars being parked over night. Notices were put in each windshield, warning them of the City Ordinance. These people had no place to park their cars. These were extra transportation cars. They received one or more tags and finally cleared the block temporarily by parking on side streets and not getting tags. One complaintant was a renter, who has since moved. A young woman, with her child, lived in the lower flat, worked nights to help support herself and the child and had to have a car to get home in the wee small hours of the morning. At present the heat is off in our block.

April 2, 1954, between 6 a.m. and 6:45 a.m. I checked the neighborhood, with pencil and paper. Four cars were tagged in the 300 block on Miriam. Thirty-four cars were not tagged on five other blocks. Of th e34 cars 13 were parked in the wrong direction and four were parked in driveways with the rear end overlapping one half across the sidewalk. I took the license numbers of these cars, together with car make and number of house they weer parked in front of.

In closing I maintain that in fairness to everyone the present ordinance should be repealed, same as in San Francisco. Our parking and transportation is much worse than in San Francisco, yet we are penalized for something that is not the fault of the people.

Sincerely,
A. G. K. Jakobsen

### OPEN HOUSE TO HONOR CANDIDATES FOR COUNTY POSTS

An open house to honor Herschel Campbell, non-partisan candidate for District Attorney, Daniel J. Creedon, assembly incumbent and Louis Francis, candidate for county supervisor, will be given by Mrs. Maryann Read, 828 Beechwood, Broadmoor.

The affair will be held on Friday at 8 p.m. All persons interested are asked to contact Mrs. Read.

### Thanks Committee

Dear Editor:

The committee in charge of the Snack Bar at the recent Fair and Festival would like to thank all those who worked so hard in the kitchen during Fair time. We would particularly like to mention the Girl Scouts, the room mothers, the school janitors, the American Legion and all those many busy women who took the time to bake pies and cupcakes and to come down and help serve.

Our thanks also to Mr. Ray Logan and Mrs. Larry Phillips, and to the Jefferson Elementary school district for allowing us to use the Garden Village school facilities.

Sincerely,
Mrs. Emile Fanfelle
Mrs. C. E. Lair
Mrs. Frederick Brehm

## My Mad World

By Leonore Brewer

We saw "Salt of the Earth" the other night. We went with the idea that this controversial film had inspired so many other columnists, who were we to be different? Today we are faced with the fact that we are different. Not since "Mircle in Milan" have we found so many of the major film critics holding riotous congratulatory revels in one camp while we sulk in our tent in another.

To the critical greats "Salt" has dramatic intensity, human integrity and pictorial beauty. Much has been made of the amateurs with whom the film is well stocked. Unfortunately their lackluster and sometimes inaudible delivery robbed their lines of whatever power they could have had. The film abounded in crudities, aimed at the very lowest common denominator in its audience, and several scenes which were apparently written to evoke the flame of righteous indignation failed to stir up so much as a puff of smoke.

Possibly we were piqued by the discovery that whereas Sin as interpreted by various pressure groups can bring about the picketing of a theater and threats to boycott a studio's entire output (remember "The Miracle" and "Forever Amber"?), differences of political opinion bring out nothing more forceful than a solitary newsvendor, hopefully trying to get rid of a few copies of a rather innocuous daily.

Possibly, and it is a sobering thought, we could be wrong. So many say that it is so great, we must be wrong. Somewhere our sensibilities have become numbed. Maybe we're just plain d——d tired. So we plan to rest over the long Memorial Day weekend.

We're going up to Virginia City, Nevada. It's been over six months since we last visited the home of the TERRITORIAL ENTERPRISE, a rather deliberately naughty paper edited by Mr. Charles Clegg, and we are long overdue for a visit.

We are also long overdue to visit Mr. Guy Michael, owner of the CHRISTMAS TREE, a restaurant located a few miles off Route 395 south of Reno. When last there in November, we told you that it had everything except snow and that Mr. Michael had promised to take care of that omission at our next meeting. It is a little late in the season to hold Mr. Michael to his promise, but we are certain that a fire will be burning in the fireplace and that he will continue to hold his corner on the world's largest steaks.

We hope to relax and regain our perspective. We may even see you there, searching for the same thing.

## Safety News From Your Local Police

**ROOM FOR COURTESY**

Packing your car for a vacation trip?

Leave plenty of room for courtesy and obedience to the traffic rules and regulations for you will need them if you are going to return home safely. It doesn't matter whether you're driving here in California or making a tour of other states. It will be a safer and more enjoyable vacation if you drive within the law. Just a second's inattention may cause an accident which cannot only spoil a vacation but may bring death or serious injury.

Be especially careful if you are driving on unfamiliar roads. Watch your speed and obey traffic signs and signals. It will pay off in added pleasure as well as safety.

**KEEP GLASS CLEAN**

A clean windshield not only improves visibility but is handy in other ways.

For instance, when it rains there will be no abrasive clinging to it to scratch the glass when the windshield wiper is brought to use.

When on a long trip always keep the rear window clean. Fast driving creates a vacuum that pulls the dirt onto the back of the car. A dirty window prevents use of the rear view mirror.

Side windows also should be kept clean for best possible visibility.

**ACCIDENT REPORT**

(May 9 to May 16)

Total: Eight auto-auto. Two injuries.

### GIRL INJURED IN PEDESTRIAN - AUTO MISHAP ON MISSION

Barbara McCowan, 15, 442 A street, Colma, was slightly injured yesterday when she was struck and knocked to the ground by a car driven by LeRoy E. Berning, 16, while she was crossing Mission street at the School street intersection.

Berning stated that he hit the girl as he was straightening the car after having made a left hand turn onto Mission street.

Police cited Berning for violation of the pedestrian crosswalk.

## Trustee Candidates Announce Platforms

### Herman Kalinin

I'm a graduate of Jefferson High school, my wife also graduated from Jeff. Our oldest son, Bob, graduated in 1951, our second son, Dick, is now a senior at Jeff, my third boy, Ron, is in the seventh grade at Colma school.

My close relationship with the school dates from my entrance as a freshman through the present day attendance of my children.

Quite obviously free public education in America is represented to me by the outstanding contribution in the field of education by my alma mater, Jefferson High school.

I'm taking a positive stand when I offer myself as a candidate for the high school board. This school district is growing rapidly. With such growth comes an increase in school problems as well as an increase in their complexity. I want to give my time and effort to help with the solution of these ever increasing problems.

Increased growth means increased building. I have been associated with the building trades in this area the greater part of my adult life. I wish to share my knowledge and experience in the building field, with my fellow citizens.

I believe in free education for all American youths. I believe the teaching staff, the textbooks, the courses offered and the guidance of our children is of paramount importance in an institution of learning.

I offer my reputation and my sincere desire to help educate our children as my outstanding assets for a candidate for a public office.

I trust that you, as my good neighbors down through these many years, will elect me to this most responsible office.

I would like to publicly thank all of my friends who have been so helpful and generous with their support during this campaign. If elected I will do my best to uphold your faith in me.

H. Kalinin

### Cecil Mitchell

As a candidate for election to the Jefferson Elementary School Board, I am interested primarily in three things: Finance, Personnel, and Housing.

FINANCE—I am interested in seeing school moneys spent more carefully, and more at the level where it will benefit the pupils.

PERSONNEL — Duties and qualifications should be determined before applications are received. This is a standard public personnel procedure, and it separates jobs from personalities.

HOUSING—More careful consideration should be given to the size of the schools; as this has a direct bearing on the cost of instruction. The matter of construction of special rooms should be considered carefully as primary grades seldom use them, and small buildings cannot use them the full day. Special rooms are very expensive.

I am thoroughly acquainted with the work of the local Board of Education as I have attended school board meetings for most of the last four years.

### Joseph Lewkowitz

This is the last appeal to every voting citizen before Friday's election.

Please show interest in the management of your children through proper management of the schools. Get out to the polls and vote wisely.

But remember, your tax money supports your schools. I will do all I can to use economy but at the same time I believe the school district must not be made to suffer because of financial limitations.

Good schools and good teachers make good citizens.

### Sorenson Endorsed By SM Trades Council

It was announced by the Campaign Headquarters for the retention of Keith Sorenson as District Attorney that Mr. Sorenson has received the endorsement of the Building and Construction Trades Council of San Mateo County. This is one of the largest Union groups in the county.

### William Ziegler

My intention to become a candidate for the office of trustee, Jefferson Union high school district, was based upon the antipathy of the public in its facing the problems in the field of edueation.

At this time, and in the future, as the growth of our community becomes more and more rapid it becomes apparent that planning as well as the execution of the betterment of the school systems be accomplished with capable and energetic individuals.

We are faced with the problem of an over-populated school plant. We are faced with the problem of a shortage of teachers due to salary levels and with the decreased number of persons inclined to enter the teaching field due to salary levels. We are faced with the public's increasing resistance to high taxes. Together we face the dilemma of the irresistable force of population growth meeting up with the immovable object of tax pressure.

Without capable and energetic pursual of an objective, therefore, we shall remain status quo in proportionate quantities and it is my intention to pursue with the aid of qualified assistance the release of some of the tensions now being felt by we parents.

It is my opinion, further, if the voters desire a status quo position in the school problems they shall so vote. If a change is to be made it shall likewise be indicated by vote and it is my belief that a change should be made.

My personal history is: I am 38 years old, married and have two children, live in Daly City and had 15 years of banking and finance.

### Guido de Ghetaldi

The American heritage has been passed down from father to son since the beginning of our nation. In our present day society, this close association is no longer possible and our schools must take over the major portion of the education of our youth. I feel that each of us must actively support our schools. Therefore, I offer my services to the children and adults of this area as a candidate for trustee of the Jefferson Elementary School District.

I will not offer to make any promises but, rather, state my philosophy about the duties of this office. School Boards are policy making bodies set up to aid the school administrators in fulfilling the functions of their positions. These administrators and teachers are well trained and are doing their best to educate your children and mine under very difficult situations. The tremendous increase of school age children, increased building and maintenance costs, and the shortage of teachers are not insurmountable obstacles, but necessitate School Board members who are sympathetic to these problems and yet who will constantly strive to improve the present educational system and its offerings.

If I am elected, I will do my best to see that the youth of this district receive as good an education as is possible. Let us all assume our democratic responsibility and vote for the candidate of our choice on May 21st. In this way our children will be better able to receive the education to which they are all so justly entitled.

### Cavanaugh Urges The Election Of Boynton

Urging the election of Ira A. (Bill) Boynton as County Controller, Percy Cavanaugh of Burlingame, chairman of his campaign committee, pointed out that the office requires experience and training which Boynton alone of the candidates has.

Careful supervision of the millions of dollars which flow through the county coffers annually is absolutely necessary to assure the most efficient and economical working of local government. "Boynton's legal training and the fact that he is a registered public accountant certainly make him the logical candidate for the position," Cavanaugh said.

# YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Here's your Nosy Rosy reporting for you again. As the weeks go on, so do the activities of the folks. Vacations are in the planning stage and many are getting ready for next week's three day holiday. There will be more folks gone then than there will be home.

Daly City has a new citizen and a red-head at that. CHARLES PHILIP BRUSH JR. arrived at 1:20 a.m. at Children's Hospital on Thursday, May 14. The young man checked in at 7 lbs., 5 ozs. and is the image of his father, "Red" Brush, the ever-happy mechanic at Sweeneys. He was welcomed home by his sister, Marilyn, and of course all the folks extend their heartiest congratulations to "DOLLY" and "RED" on the newest addition to their family. On hand to greet him also was his Aunt, Dorothy Stewart, who is most proud of the fact that she is to be his godmother in the near future.

Might as well get this over with as it is a never-ending complaint and although I am not the complaint department I'l do my best. Of course it is the same old subject—DOGS! The neighbors in the Hillcrest—San Diego avenue area are among those who take real pride in their lawns and gardens. They also have small children whom they like to let out to play occasionally. Last week one of the neighbors counted 17 dogs roaming at will and having a grand time with the lawns, bushes, children and life in general. The pound was called and all he did was to shoo them away. Not one dog was picked up. There are even incidents where articles of clothing have had to be thrown away because their owners had the misfortune to meet up with the inevitable dog's gift to his neighbors. Please, folks, for the good if not the consideration of all, won't those of you with dogs keep them in their own yards or are you afraid they will ruin your plants and lawns? These neighbors are really fed up and their next step will be a harsher one than calling me. How about it folks?

### ITEMS OF INTEREST

The entertainment and ball held by the Fire Department last Saturday night was what one would call a real success in the fullest sense of the word. Space was at a premium but everyone was good natured and had a grand time. The entertainment was the best ever and the music in the vernacular of the teenagers—"dreamy." Congratulations to the firemen for a well run affair and to all the neighbors who so heartily supported their fire laddies. We're all looking forward to next year's ball but fail to see how it could beat this one.

DAVID FAZENDEN, son of MR. and MRS. FRANCES FAZENDEN of Peoria street, celebrated his 9th birthday on May 10. He was host on this occasion to many of his friends at a party given at the home of his mother. Of course grandma GRACE HILL was there too, plus many others of his family to wish him a happy birthday.

MRS. FRANCES NENSTEIL has retired! Not from the hardware business but as secretary of the Eagle's Auxiliary after six year's service. She would like to thank all her Eagle friends for their co-operation during that time. She knows they will do the same for her successor. Congratulations, Frances, on a job well done.

Leaving us on last Friday was MRS. DONNA ALMQUIST and her family. They packed all available duffel bags and took off for Forest Grove, Oregon, for a two-weeks vacation. While there they will visit relatives and renew old acquaintances and just have a lot of fun.

MRS. EDRIE SUMMERS has had one of the nicest honors of all bestowed upon her. She has been chosen MOTHER OF THE YEAR by the Eagle's Auxiliary No. 1848. She was entertained as a special guest at a social held at the Eagle's hall on May 8. Congratulations from all the folks to a lovely lady well deserving of the honor bestowed upon her.

A surprise that really was a surprise was held at the home of MRS. VIVIAN CRESPI on May 12th of last week. It was a baby shower given by the Daly City Sportswomen for MRS. IRENE SCALLY. Many beautiful gifts for the new baby were received and delicious refreshments were enjoyed by all.

### SERVICEMEN

A ring at my doorbell brought me a nice smiling face that I was so very glad to see after 16 months in Korea. CPL. PAUL A. MITCHELL of the U. S. Army is now returned home and enjoying a well-earned thirty day furlough. He still has until November to serve Uncle Sam after which he will most probably return to Camp Stoneman for re-assignment somewhere in the United States to finish out his enlistment. It is really wonderful to see the boys when they come home and from the tales they tell of the places they have been and the things they have seen, it really makes a person thankful that they gave so much for our safety.

A 2/c BILL VALENTINO was heard from this week. From far off French Morrocco comes a very comical letter. Seems Bill has a hard time making the Arabs understand what he means and vice versa. Otherwise, the climate isn't too bad and now that the rest of the gang belonging to the 44th Bong Wing have arrived, the place is really a little bit of home.

Another young man has finished his service to his country. RICHARD "BUBBIE" LEAHY, son of the BERT LEAHEYS of Miriam street, has returned home from Germany and has received his discharge. This enviable piece of paper restores him to the status of a civilian again and the Army's loss is most certainly the community's gain. Bubbie is well known and all the best from all the folks is wished him in the future whatever it may hold for him.

Home on leave from Lackland Air Force Base for ten days was A 3/c EDWARD F. HARPER. He was granted a surprise furlough and although it didn't last long enough one is always most grateful for a furlough of any kind. While home, Eddie renewed many old friendships and of course visited all of his family. He is now back at Lackland having left Wednesday morning and we hope it won't be too long before we see him again.

"Home is the sailor, home from the sea." Seamon DICK EAGEN, son of the Arnold Eagens of Los Olivos avenue, is home after many months spent in the South Pacific aboard the U.S.S. Boyd, a destroyer in Uncle Sam's Navy. Dick still has a few more months to go in the service but expects to spend them ashore to the delight of his family and many friends.

JOHN MONAH, son of EDNAH MONAH of the Eagles Auxiliary, will be taking a trip very soon. He will be on a three weeks sojourn to Pacific waters aboard a small carrier with the U. S. Navy. Bon Voyage, John, and don't get too seasick.

There are a group of women who have the interest of the Navy boys uppermost in their hearts. They are members of the Navy Mothers' Club and their purpose is to help brighten the lives of the servicemen in the hospitals. This is such a good cause and the work to be done is more than those who are members at the present time can cope with. They would welcome any new members that have sons or relatives in the service and it is very easy to get the full details. For those interested—call MRS. PATRICIA FAWCETT of Ellington avenue—DE. 3-5696—and she will be most glad to hear from you and give you any information you want.

### NEWS AND VIEWS

Here is a date to remember. May 24th, a Monday night, is the time to have a get-together with your neighbors and have a lot of fun, too. MRS. VICTORINE "MAMA" LOMBARD and her co-chairman MRS. MAY BAKER announce that this will be one of the biggest whists ever. All who know these two ladies need no assurance of a good time, good prizes and a well run whist which will start on time. The place to go is the Masonic Temple and the time is 8:30 p.m.

When a father has a birthday, to him it is just another day of work and he'd just as soon forget it anyway. The family, five children, of MR. BILL EVERETT, had other ideas. They fixed the nicest dinner and the fanciest cake with presents that delighted the youngsters if not daddy, and surprised him on the occasion. May 14th was the day and a happy birthday is wished this popular Associated Station attendant from all the folks.

The Southern Restaurant was the scene of much gaiety last week. About fifteen members of the Past President of the American Legion Auxiliary went there for their annual dinner and evening of fun. They really had it too.

There are neighbors who really enjoy having and entertaining company. Among these are MR. and MRS. LESLEY HILL who last week had as weekend guests MR. and MRS. TOM RICHARD and family who were visiting here from Sacramento.

Having a birthday last week was one of the most loved of the neighbors, MRS. LILLIAN TAGGART. She celebrated the occasion with best wishes from family and friends on May 11th. The same goes for the rest of the folks, too.

The annual Novena to Our Lady of Perpetual Help is now being held at Our Lady of Perpetual Help church on Wellington. There are two Masses each morning—6:30 and 8:30, and devotions in the evening at 8 p.m. The time comes to all of us that gives us the opportunity to think and check up on ourselves. What better time or place could be offered us? There will also be a sermon each evening given by one of the Jesuit Fathers how, as all know, are wonderful speakers.

Well, folks, this is next to the last week in May and next weekend is the big one. Where are you going? Let me know about it. We all hope that the weather will cooperate and that one and all will drive safely so that they will be here to read this column the following week. Remember the phone is PL. 5-6482 and I am always most happy to hear from my old friends as well as my new ones. Until next week then, Bye now.

Students graduating from college next month will find job opportunities moderately good in most fields, excellent in engineering and other scientific fields. Most June graduates will discover tehy must job-hunt harder and longer than their predecessors.—Changing Times.

New officers of the circle are: Beverly Young, first bard; Josephine Renaldi, second Bard; Bessie Hackmaier, recording secretary; Elda Salvi, financial secertary; Rose Brizzi, treasurer; Valetta Ennis, conductress, Helen Rode, assistant conductress; Eleanor Barsotti, inside guardian; Angie Del Grande, outside guardian; Josephine Machi, Prima Jessup and Adele Gaviglio, trustees; Mary Vallerga, Ida Biancalana and Catherine Alessandri, auditors; Enes Marconi, chaplain; Norma Guisti, right supporter to A.D.; Rose Santamaria, left supporter to D.A.; Helen McDonough, flag bearer; Marie Callori and Connie Castelli, escorts; Josephine Ghilarducci, deputy grand Arch Druidess.

Entertainment was provided by a vocal duet by Agatha Heyden and Valetta Ennis.

On Wednesday members of the circle were the guests of Mrs. Gardella, 152 Whittier street, at her home. Guests were shown the gifts and cards the newly installed arch druidess had received.

## Westlake Students To Participate In SF Music Recital

Several Westlake music students of Joanne Brehm will take part in a recital to be presented Saturday evening at 7:45 p.m. in the Assembly room of the Main Library in the San Francisco Civic Center, according to Miss Brehm.

Participating in the musical presentation will be Phyllis and Sandra Burchfield, Jack and Kathy Hogopian, Larry and Sheila Toboni, Nancy Noonan, Mary Ann Brakebill, Nancy Shea and Gail Merlo.

The program will include both classical and popular selections. A total of 26 numbers will be presented.

Mrs. Diantha Reynolds will be the assistant accompanist.

## PTA Unit To Sponsor Cake Sale Today

The executive board of the Woodrow Wilson PTA will hold a cake sale today (Friday), beginning at 10 a.m. and continuing until everything is sold. Homemade pies, cakes, cookies and cupcakes will be featured.

Proceeds will go toward the purchase of a stove for the Multi-use room.

## "H.M.S. Pinafore" Presentation On Friday, Saturday

The rollicking tunes of the ever-popular "H.M.S. Pinafore" are drawing Gilbert and Sullivan fans to the Carousel, San Carlos theater, at 1660 Laurel street, Saturday as the Peninsula Comic Opera Company stages its third San Carlos production.

Marcia Hunt of Millbrae and Ken Bradshaw of Burlingame are among north Peninsulans starring in the operetta, while Randy Hunt, head of the music department at Capuchino High school, is associate musical director for the group.

Marcia Hunt plays the part of "Little Buttercup." Her rich contralto voice and her vivacity are natural equipment for the part of the rough and tumble "bumboat woman of Portsmouth."

Tenor Ken Bradshaw plays the role of "Ralph Rackstraw," the "common sailor" who staunchly loves the glamorous daughter of the ship's captain. Bradshaw, who starred in earlier performances with Peninsula Operatic Productions in Burlingame, is making his first appearance with the comic opera group. Bradshaw has played in numerous Gilbert and Sullivan productions with Reginald Travers, and he has also taken part in Hillbarn stage productions and sung with a number of choral groups.

Randy Hunt alternates at the duties of directing the music with James McMillan, and Anita Jasmin, well-known Peninsula accompanist, is pianist for the production.

The company, directed by Robert N. Lynch, has already given "Pirates of Penzance" and "Patience" at the Carousel, and many of the leads in those two offerings are singing the chief roles in Pinafore. Lynch plays the effete "Sir Joseph Porter, First Lord of the Admiralty," who seeks the hand of "Josephine," the captain's daughter.

Josephine is sung by Beverly Seely, dramatic soprano, one of the Peninsula's leaders in musical circles who has done concert work throughout the Bay Area.

Gene Brown sings the role of "Captain Corcoran"; Meredith Julian portrays the noisy "Dick Deadeye"; Josephine Raynal is "Hebe," cousin of Sir Joseph, and Bob Swanson and Averill Mix are the boatswain and the boatswain's mate.

Eight singers make up the colorful chorus of "Sir Joseph's relatives and sailors."

The gay operetta will be given each Friday and Saturday during the rest of May. Curtain time is 8:30 p.m.

Continuing an informal custom at the Carousel, the management serves coffee to audience and cast after each performance.

## KEN BRADSHAW IN 'PINAFORE' ROLE

**COMMON SAILOR "Ralph Rackstraw" is the role portrayed by Tenor Ken Bradshaw in the rollicking Gilbert and Sullivan presentation, "H.M.S. Pinafore" which opens tonight (Friday) in San Carlos at the Carousel. The Peninsula Comic Opera company are staging the production. Bradshaw, son of THE RECORD publisher and editor, Harold P. Bradshaw, has starred in earlier performances with the Peninsula Operatic Productions in Burlingame. It is his first appearance with the Comic Opera group.**

## SF CITY COLLEGE INSTRUCTOR HEADS POLI SCI GROUP

Dr. John M. Selig, political science instructor at City College of San Francisco, was elected president of the Northern California Political Science Association at the annual meeting of the group on Saturday, May 8, at the College of San Mateo.

Dr. Selig's election marks the first time in the history of the group that an instructor from a two-year college has been elected to the presidency. Dr. Selig succeeds Professor Joseph P. Harris of the University of California.

Professor Thomas Barclay of Stanford University was chosen vice president.

Organization is composed of political scientists from the universities, state and two year colleges of Northern California.

## EAGLES CELEBRATE 54th ANNIVERSARY NEXT TUESDAY

Golden Gate Aerie No. 61, Fraternal Order of Eagles, will celebrate the 54th anniversary of the Aerie by holding a Past Worthy Presidents night on Tuesday, May 25, at the Eagles' Center, 3053 16th street. A class initiation will be dedicated to Mother's Day. Past Worthy Presidents will occupy all the chairs and a buffet supper will follow the meeting.

On Saturday evening, June 5, a joint public installation of officers will be held by the Ladies' Auxiliary and Golden Gate Aerie. Installation of officers will be public and all friends of members are cordially invited to the ceremony.

Installation will begin promptly at 8 p.m. and will be followed by a program, dancing and at 12 o'clock a buffet supper will be served, rounding out a gala occasion.

## 300 Persons Attend Local Music Recital

Over 300 persons attended the recital presented by the music students of three local teachers last Sunday afternoon, according to Mrs. Edna Hyers, chairman of the arrangements.

According to Mrs. Hyers, 50 young students of accordion, piano, vocal and violin, entertained the crowd in the First Christian church for two and a half hours with classical, semi-classical and popular selections.

The teachers, Mrs. Hyers, Mrs. Betty Klepfer and Hilton C. Kessler, will host the young musicians and their families at a picnic at Coyote Point on Saturday afternoon. The group will meet in the park area at 4 p.m. according to Mrs. Hyers.

"Because we had such a large turnout and because there was such a large number of excellent advanced students, we are now planning an advanced students' concert in September," Mrs. Hyers said. "Definite plans have not yet been made," she concluded.

### BALLET GROUP TO HOLD MEMBERSHIP AUDITIONS JUNE 5th

Auditions for admittance to Ballet Petite membership will be held on June 5 at 2:30 p.m. in the Magnolia Grammar school auditorium, Grand avenue and Magnolia street in South San Francisco.

Applicants from nine to 12 years of age will be considered. All applicants must have had previous ballet training. Applications may be obtained by writing to Ballet Petite, 1117 El Camino Real, So. San Francisco or by calling Juno 8-8183 or Juno 8-8602. Deadline for applications is May 31. Only children from the Daly City, Colma, Westlake, Millbrae, San Bruno and South San Francisco.

### LUNCHEON CHAIRMAN NAMED BY PTA UNIT AT BAYSHORE

Mrs. Vernon Costa has been selected by the Bayshore PTA to preside as chairman of the graduation luncheon to be held on June 10.

The luncheon will be followed by a dance for the graduates in the evening, according to Mrs. Thomas McNamara, publicity chairman.

The unit, during the regular meeting held May 12, gave Mrs. Natalie Lipman, school superintendent, a check to be used for school projects.

Entertainment was provided, during the meeting, by the fourth grade pupils of Mrs. Veda Dunham. The student presented a novelty musical program featuring song flutes and water glasses.

# BROADMOOR PRESBYTERIAN CHURCH TO CELEBRATE FIFTH ANNIVERSARY

The Broadmoor Community Presbyterian church, 87th and Junipero Serra, will hold special services to mark the completion of its first five years, on Sunday May 23, according to the Rev. John A. Glasse.

The church was founded in 1949, the first established protestant church in the Colma area. For three years the services were held in a "war surplus" building. Two years ago the church services were moved to the present education building, the pastor said.

The educational building was the first unit in the over all plan to erect an "all purpose" building instead of a sanctuary in order to afford the whole community with the benefit of its facilities, the Rev. Glasse explained.

In addition to the regular programs and services of the church, it is the meeting place of such groups as four classes of Jefferson Elementary school children, the monthly Cub pack meeting, an Explorers Scout post sponsored by the Village Churchmen, the Garden Village Homeowners and occasionally by other groups such as the Girl Scouts, Boy Scouts and the inter-faith nursery school for pre-school children.

The Sunday Church school and High school young people's enrollment and activities grow steadily week by week, said the Rev. Glasse.

The special Sunday service will include selections by the Adult Choir and the Girls' Trio. Messages summorizing the growth and activities of the major departments of the church will be given by Mrs. John A. Glasse, Mrs. J. Gordan Greig, Mrs. Lamont Sundman, Roger Edler, Gordan Greig, George Irvine and John Le Pine.

During the afternoon the high school group will present "The Parade of Nations" twice. The presentations will be held at 3 p.m. and again at 6 p.m.

The Rev. Glasse announced that the Rev. Joseph A. Meza, minister of the Church of the Good Shepherd, San Francisco, will speak on the work of the Spanish churches. At 6 p.m. Mrs. Clifford Douglas will speak of her experiences in Colombia.

The day will be concluded with refreshments following both of the presentations. Donations will be received to be used to help send the church's young people to summer camps and conferences, Mr. Glasse stated.

# Johnsons To Speak In Assembly Of God Church Sunday

Mr. and Mrs. Bernhard Johnson, missionaries to Brazil for 13 years, will be the featured speakers at the First Assembly of God church, Evergreen and Hanover streets on Sunday evening at 7:25 p.m., pastor W. P. Rutledge announced.

The Johnsons, stationed in Brazil by the Foreign Missions department of the Assemblies of God, have served in the San Francisco churches. They are currently visiting various churches of the Assembly to stress the need for missionary work in Brazil, the Rev. Rutledge said. He emphasized the fact that the public is welcome to attend the lecture.

Also scheduled by the church is a series of evangelistic services. The series will begin May 25 at 7:30 p.m. and continue every night except Mondays and Saturdays for the next two weeks. First speaker will be Mrs. Silas Jones.

# SMJC Players Club Present Antigone Tonight, Saturday

The Players' club of the College of San Mateo will present "Antigone," Jean Anouilh's modern version of the Sophocles Greek tragedy tonight (Friday) and Saturday nights in the Baldwin auditorium. Curtain time is 8:30 o'clock. Tickets may be purchased at the door on both nights as well as in advance at the College.

The theme of the play is a powerful presentation of the forces of freedom pitted against tyranny. Its current impact is as exciting today as it was to the original Greek audiences in 442 B.C. Anouilh's colloquial dialogue and the modern dress presentation bring the production contemporary vitality.

Settings designed by Miguel Costa and Ed Stollery under the direction of Sam Rolph feature a variety of levels on which the action unfolds. Slender Greek columns and dramatic lighting effects heighten the emotional impact of speech and action.

Featured as Antigone is Marilyn McKenna of Millbrae, who plays the courageous Grecian girl with intensity. Her tyrannical uncle, Creon, whose lust for power is the force of evil which Antigone combats, is played with force by Ray Coloma, of San Mateo.

Haeman, the young Greek in love with Antigone, is a romantic role played by Don Lewis.

Pat Taylor plays Ismene, Antigone's sister. Jan Sproul of Daly City does a character role in the part of the nurse to Antigone, lovable, irascible, bringing humor to several scenes.

Other players are Bill Kirkman as the chorus, Ken Calhoun as a comic guard, Frank Lawrence and Ed Stollery as guards.

A guest actor in the College production is Michael Duffey, ten year old actor in the fourth grade at McKinley school in Burlingame, playing a page to Antigone.

Modern evening dress, muted in color and reflecting Greek influence in line and drapery, have been designed and made under direction of Sam Rolph, Joy McFarland, and Dale Falk.

## CAMPBELL TO BE SPEAKER AT RALLY IN BROADMOOR

Mayor F. Herschel Campbell of San Mateo, independent candidate for District Attorney of San Mateo county, sped up his campaign this week.

Calling for establishment of the office of district attorney as legal advisor for all county departments rather than merely as a prosecutor, Campbell delivered a series of speeches throughout the county.

He spoke Thursday, May 20, at a meeting of the Woodside Unit of the San Mateo County Council of Republican Women, at the home of Mrs. Helen Morton, 3763 Woodside road; and at several meetings in Daly City Thursday night.

MAKING TURNS

Making turns from the wrong lane is a prolific cause of accidents, according to the California State Automobile Association. "This practice is not only dangerous to the driver making the error but to others as well," says the Association. "It also delays traffic. Drivers who want to keep their fenders and doors from being damaged—and avoid the even more serious chance of suffering injury themselves—should get into the proper lane well ahead of their turn and signal their intentions before moving into the crossroad."

**FIRE HAZARD**

Now that warm days are drying up much of the vegetation along the roadsides, the fire hazard is increasing and motorists are urged by the California State Automobile Association to be extra careful with fire. The law requires cars to be equipped with ashtrays, it points out, and the ashtray, not the road, is the proper place to deposit burning tobacco, hot ashes and match stubs.

# DC SUMMER BASEBALL PROGRAM ANNOUNCED

Organization of a 20-team summer hardball league for Daly City youngsters was launched Wednesday night at a meeting of sports figures and recreation officials held at the community center.

The league, to consist of four age groups, will probably start the second week in June. It will mark the first time that Daly City has had such a summer program.

Heretofore, local players seeking to compete in summer ball have had to sign up in San Francisco or southern Peninsula circuits.

In a three-hour session Wednesday, the following advisory committee mapped plans for the initial holding of a summer league here: Walt Gillies, Ed Cavagnaro, Herm Kalinin, Lowell Creighton Sr., Bud Christenson, "Tiny" Garrison, James Mason and Lou Martin.

Martin, basebal coach at Jeff Hi, will head the program.

Teams from all areas within the high school district will be invited to compete. This means there will probably be representatives from Brisbane and Sharp Park as well as Daly City, Colma and Broadmoor.

Teams will be made up of players in age groups 13 to 15, 15 to 19, 8 to 10 and 10 to 12.

The leagues will be run on a home and home basis. Marchbanks park, Jefferson high school and Brisbane diamonds will be available.

The regular season will last through August 20, at which time an O'Shaugnessy playoffs will be held among the top teams.

Martin says he hopes to have at least six teams competing in each league.

Meetings of all managers, sponsors and other persons interested will be held Tuesday and Wednesday of next week at the community center, beginning at 7:30 both nights.

Tuesday night will be devoted to the 13 to 15 and 15 to 19 age groups, while the following evening the other two divisions will be discussed.

Start of the league will depend on the outcome of next week's meetings, Martin said. He is anxious to have play start as soon as possible and all persons interested are urged to get in on the meetings.

## JEFF NINE SMOTHERS SOUTH CITY

### Delbon Holds Warrior Club To Single Hit

Turning on the steam when it was too late to do them any real good in the PAL standings, Jefferson High school trounced traditional rival South San Francisco Friday, 10 to 1, behind the one-hit pitching of Don Delbon.

The Daly City club busted loose for six hits to gain their fourth win of the league campaign. Ron Giusti led the Indians percentage-wise in batting, getting two for two. Al Figone got a pair in four trips to the plate. Bob Gaggero had a double and Wayne McNeal picked up a single to account for all the Jeff hits.

Delbon found himself in Friday's contest, after a mediocre season, walking only two batsmen and striking out five.

The local nine drew first blood in the opening inning, putting across three tallies after the South City hurler had walked four and hit a batter while his teammates committed two boots.

In the third frame they scored two more, added three in sixth and capped their efforts with two in the seventh canto.

Jeff first sacker Bob Bailey suffered a wrenched wrist in the first inning when hit by a pitched ball, but continued out the game through the following inning.

### WESTLAKE BEAVERS WIN ONE, LOSE ONE

Westlake's Beavers set an even .500 pace last week as they suffered a 10-5 loss to Dee's Associated of South San Francisco and throttled the Daly City Raiders, 15 to 5.

Dick Reese held the big bat for the Beavers in both games, getting three for four Thursday against Dee's and swatting four for five Saturday against the Raiders.

The Beavers are conducting a recruiting drive and youngsters interested in playing may contact H. S. Garrison, PL. 5-3505, between 6 and 8 p.m.

# Jeff Trackmen Shine In Relays, NCS Trials

## RECTOR SETS MARK FOR 1320

Jim Rector, local high school speedster, established himself as a strong contender to take the 1320 race tomorrow (Saturday) at the North Coast Section finals at Berkeley after registering a new Group II 30s division record for the race in last weekend's finals.

Rector beat out Ron Larrieu of Palo Alto and Bill Aritz of Watsonville by a few yards to register a 3:18 in the qualifying meet at the Fremont oval in Sunnyvale. His time bettered the old record of 3:26 by a full eight seconds.

Ironically it was Larrieu who two weeks ago beat out Rector by inches in the PAL finals to cop the 1320 in 3:16 to set a new league standard. Larrieu was third Friday behind Aritz.

Only other competitor to represent the local school in the 30s division tomorrow at Berkeley will be Lowell Klaisner, who took fourth in both the 150 and 75 yard dashes.

Jefferson's entries in the varsity trials at Fremont failed to qualify.

Larry Allen ran a fourth in the 880, but only the first three qualified in this event. Breaking the tape again was Don Bowden of Lincoln in San Jose, who clocked a blistering 1:54, slightly off his U. S. prep mark of 1:53.2 established at the PAL finals a week earlier. When Bowden set the PAL mark, Allen was runner-up, but he couldn't get in the money Friday.

Wally Honeywell managed a fifth in the 440, not good enough to qualify but still a commendable effort considering the winning time was 49.3, registered by the nation's top prep-quarter miler, Eddie King of Salinas. King has run the lap in 48.7, best time in the U.S. this year.

The Group I meet was the qualifying event for trackmen from PAL, SCVAL and CCAL schools.

Also competing in the NCS finals tomorrow will be representatives of Group I and Group III.

## OLPH MIDGETS SPLIT PAIR; PLAY SATURDAY

OLPH Midgets must win one this Saturday to grab a piece of the championship in the CYO league.

They split their two weekend contests, topping St. Benedict's Sunday, 5 to 2, and losing out in Saturday's go against St. Elizabeth's, 3 to 2.

The Midgets are still in the running for the league title if they win Saturday's game and Epiphany defeats St. Elizabeth's.

In Saturday's contest the local team was leading, 2 to 1, in the final inning but a walk, hit and an overthrow to second base enabled Elizabeth's to tally twice and overtake the Midgets.

Larry Kane allowed St. Elizabeth's only three hits, walking three and striking out two.

An error in the first frame gave St. Elizabeth's one run. OLPH scored one in the second and one in the fourth frames.

## Sarto A.C. Starts Road Tour Sunday

Fresh from a 10-2 victory over San Pablo Merchants Sunday at Marchbanks park, Sarto A.C. hits the road Sunday when they embark for Petaluma.

Lowell Creighton, Jefferson High strike-out king, will do the mound chores against Petaluma.

The athletic club also hopes to obtain the services of Ted Welp, Santa Clara University performer, in time for Sunday's contest.

In Sunday's game, Ben Parodi and B. Ortenello set the pace in hitting with two apiece.

Ortenello also displayed his talent in the pitcher's box, as he relieved G. Bertlini in the fifth, allowing only two hits, striking out five and walking only one in his four innings duty.

Bertlini gave up four hits, two runs and five walks in his five inning stint.

Sarto's Ray Rosa staged a bit of base-running brilliance as he stole home to tally in the fourth canto.

## DISTANCE TEAM WINS AT FRESNO

In Jefferson High school's first appearance Saturday at the much-heralded track extravaganza, the Fresno Relays, the local cindermen brought home a bundle of honors to the Daly City school.

Competing against 19 teams representing schools throughout all northern California, the Indian distance medley relay team won the medley event, posting a time of 10:37.

The victory gave Jefferson a total of 10 points in the high school division of the meet, with the result that on the strength the single victory they wound up in third place.

Competing in the surprise victory were Wally Honeywell, 440, Larry Allen, 880, Rich Fambrini, 1320 and Jim Rector, mile.

Coach Ernie Ribera, who accompanied the four-man contingent to the Fresno track doings, said the team might have broken the Relays record had they not been tired from running the previous night in the Group II NCS meet.

The Jeff medley squad beat out Washington High school of San Francisco by a few yards to win the event.

Because of Saturday's outstanding showing by the local baton passers, Ribera may send the foursome to the Hollister Relays coming up May 28.

## FIRST INNING BOOTS RUIN WESTLAKE TEAM

The first inning was the undoing Wednesday night for Westlake Cub Pack 248 in their final regular season contest, as they dropped a 12-10 decision in extra innings to Pack 36 on the Aptos diamond.

Five Westlake errors and several unofficial boots in the first frame were enough to hand Pack 36 seven runs and all the margin they needed.

Following this disastrous session, the local club settled down behind the pitching of Jeff Tambor to overtake Pack 36 and lead going into the seventh canto. The opposition tied the score in the seventh and went ahead to win in the fifth half of the eighth.

In losing, the Westlakers still turned in one of their best performances of the season, playing errorless ball after the catastrophic first inning.

Tambor walked only one batter, striking out six and allowing nine hits.

Leading the Westlake stick attack was Chris Hanson, who swatted a homer with two men on to put his club in the game.

Wayne Bosberry also homered, while Catcher Peter Dunan got three for five to aid the cause.

One of the more cheerful results of the game was the discovery of Llan Hanley's play at second base for Pack 248.

Walter Dunan, manager, eyes next year's campaign with optimism, with most of the roster returning. Clark Beerman, Jim Pinelli, Hanson and Dunan, nucleus of this year's squad, will return to the fold next year.

Final events in the West of Twin Peaks Cub Scout Baseball league are the championship game between Broadmoor of the National league and St. Gabriel of the American league and the All-Star game, made up of outstanding performers from both leagues. These games will be held at McCoppin field Sunday at 1 p.m.
